Midwest Children's Burn Camp

MCBC is exclusively for burn-injured children, ages 6-17. Many live below the poverty level, and their families struggle with the cost of medical bills and treatments. For these reasons, MCBC will always be offered at no cost to the youth we serve.

All of the youth we serve are burn survivors, and their physical ability varies. Children attending camp may have severe scarring or large skin grafts, as well as loss of digits, limbs, ears or hair. We help each child find comfort with who they are and give unconditional love and support—both at MCBC and beyond.

Your Support Makes a Difference
