What garments are needed? _____ Approx. Cost? _____

_____ Signature Date

Eligibility: Patients must be receiving treatment at partnering hospital and demonstrate financial need. Patients must have a script from the authorizing physician in order to qualify. During your lifetime, Burns Recovered will approve 2 sets of garments or up to \$2000 per person, whichever comes first. Patient is financially responsible for any costs over \$2000. All compressions garments must be fitted and distributed by a partnering pressure garment facility or clinic, and all monies will be paid directly to the pressure garment facility or clinic. Under no circumstances will any money be paid directly to the patient.

Process: Send application to Burns Recovered for review. If approved, Burns Recovered will contact the patient to have their script sent to the pressure garment facility or clinic, then Burns Recovered will contact the facility for approval. Once approved, Patient will get fitted at facility. Burns Recovered will reimburse pressure garment facility for costs. **Please be patient, this process could take up to 6 weeks.** Disclaimer: Acceptance is made on a case by case basis. Submitting an application does not guarantee approval.
